**230TT CLAW**

Twin Tiger Claw (Fangs Style) Penetration  
3.2#/1.45kgs.

*H&L Tooth Company History since 1931:*

*This Uniforged 230TTCLAW (Fangs Twin Tiger) Style tooth was first designed and introduced in 1994. The forged Twin Tiger Claw was developed as a stronger version of the cast 230TF Fangs tooth, if it doesn't say H&L its not the ORIGINAL!.*
